**INFORMATION DISCLOSURE STATEMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Pursuant to 37 C.F.R. §1.56 and in accordance with 37 C.F.R. §§1.97-1.98, information relating to the above-identified application is hereby disclosed. Specifically, submitted herewith are three published United States patent applications, having filing dates preceding that of the instant application.

The instant application contains claims which have been copied from certain of the three published United States patent applications submitted herewith, for purposes of provoking interference proceedings between one or more of the published United

States patent applications submitted herewith and the instant application. Additionally the instant application includes drawings which are similar, if not identical to, certain of the drawings in one or more of the published United States patent applications submitted herewith. Furthermore, the specification of the instant application includes text which is highly similar to text in the specification(s) of one or more of the published United States patent applications submitted herewith.

Applicants will identify in a separate paper the claims in the instant application which have been copied from one or more of the published United States patent applications submitted herewith and will identify the application, including the claim numbers therein, from which the claims in the instant application have been copied.

Submission of this statement is not to be construed as an admission that any of the documents submitted herewith are "material" to the examination of this application or the patentability of the invention, as the term "material" is defined in 37 C.F.R. §1.56(b), nor as any admission that the documents submitted herewith even qualify as prior art references with respect to the above-referenced patent application.

In accordance with §1.97(b), since this Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits of the above-identified application, no additional fee is required.

Copies of each of the materials listed on the attached Form PTO-1449 are not enclosed herewith.

To the extent there is any fee required in connection with the receipt, acceptance and/or consideration of this paper and/or any accompanying papers submitted herewith, please charge all such fees to Deposit Account 50-1943.

Respectfully submitted,

Date: 16 June 2004
